Definitions F2F: A regular course meets face to face as stated on the schedule. Hybrid: A hybrid course will meet face to face for a minimum of 50% of the course, i.e. students must complete 22.5 hours of actual seat time on campus. Faculty may add a live, synchronous, web-based component of the course (not more than 50% of the course). Both face to face components and web-based delivery methods must be scheduled on the syllabus. Online: Courses will meet asynchronously via web-based technologies.
